ROGERS
together with **Shaw**

Offer available to eligible customers in British Columbia, Alberta, Saskatchewan and Manitoba's Rogers Xfinity Internet footprint. Subject to change without notice. Subscriptions required for streaming apps. *Taxes extra.¹ Upload speeds up to 200Mbps. Max speeds assume optimal network, equipment and customer device conditions. ² Available on compatible iOS and Android devices within Canada. Out-of-home streaming limited to 2 devices at the same time and combined in-home and out-of-home streaming limited to 5 devices at the same time. Content and feature availability depends on licensed content rights. Data usage charges may apply when off your Rogers home WiFi network.
