EXPLORE IN NATURE WITH GRPF

NATURE IS CALLING

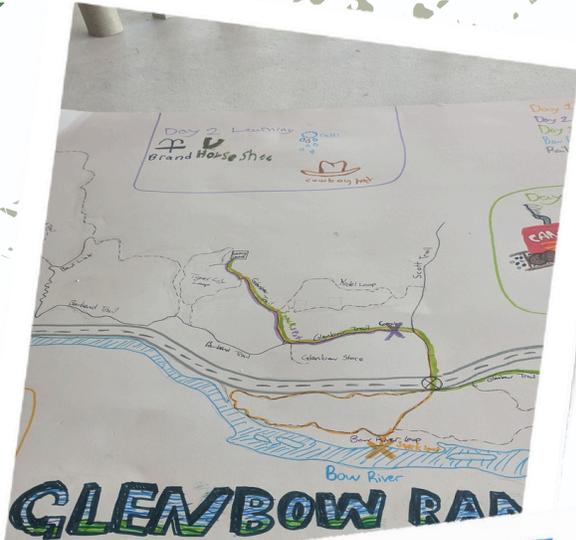

NAVIGATING THROUGH NAURE

Come and explore Glenbow Ranch Provincial Park! Learn how to use GPS handsets and map reading skills as we navigate through the park. We will learn about the history of the park and the importance of our habitats such as grasslands and wetlands. Hikes, games, crafts, a golf cart adventure, picnics by the Bow River and a group geocaching challenge will make this an unforgettable week!

NATURE'S STAGE

Get creative at the park! A week of art, crafts, and drama inspired by the stunning surroundings and history of Glenbow Ranch Provincial Park! Enjoy art by the Bow River, group games and activities, land-based learning, a golf cart adventure, and a final presentation for families on Friday afternoon. See you at the park!

EXPLORE IN NATURE WITH GRPF

NATURE IS CALLING

WILD ABOUT WETLANDS

The wetlands are calling! Let's go! Discover pond critters and wild grasslands and how plants, and animals protect our water supply through hikes, games, pond critter catching, a golf cart tour, and crafts. Become wetland protectors with us!

MYSTERY OF ARCHAEOLOGY

Let's get digging! Come unearth the hidden stories of this land in a simulated dig site, by handling artifacts, hearing stories passed on by Indigenous friends, hiking, crafting, golf cart touring and discovering a few of our many archaeological sites in the park!

BIKE GLENBOW

Let's take a ride through beautiful Glenbow Ranch Provincial Park! As we explore you will learn to use GPS handsets and map reading skills to navigate your way, enjoy group games and a geocaching challenge! As we make our way through the park you will learn about the history and habitats of Glenbow, and how to enjoy the outdoors on two wheels and responsibly take care of our ecosystem as future stewards! All campers must bring bikes, bike helmets, water bottles, journals, and a sense of adventure!
