

Attention: Residents of Ambleton

Regarding: Scheduled Paving in Your Area

Lafarge Canada Inc. will be starting the top-lift paving in your neighborhood. This will begin on the morning of **Tuesday September 17th, 2024.**

Construction is scheduled to take place from approximately **7:00 a.m. to 7:00 p.m.** daily and is scheduled to be completed by Tuesday September 24th.

Construction schedules may need to be adjusted based on unexpected weather conditions and construction progress.

Please note, during construction there will be various closures throughout the area and access will be interrupted as well as street parking limitations until the construction is complete.

Of importance, please ensure that children and pets are kept away from the work area during construction as there will be large mobile equipment, hazardous material and various other hazards. Fresh oil will be present at the time of paving and Lafarge Construction, Evans Land Development Corp. and Qualico Developments West Ltd **will not** be responsible for any damage to vehicles or surfaces due to traffic in the work zone.

If you have any questions, concerns or special requirements, please do not hesitate to call.

Thank you for your patience and cooperation during this process.
